Seek a challenging position in a well-reputed corporation, make significant contributions, add value to the teamwork to achieve scheduled targets and goals to achieve scheduled targets and goals. Interested in the oil and gas industry.

Education

- 10-2015
10-2020  **Bachelor of Engineering: Faculty of Petroleum and Mining Engineering**
Suez University – Suez, Egypt
 - Majored in the Geological and Geophysical Engineering Department.
 - Graduated in the top 5 students of the department.
 - Graduated with a very good grade (B+).
 - Graduated with a 3.08 GPA (out of 4).
- 10-2019
08-2020  **B.SC Graduation Project**
 - **Name:** A Survey on Geological and Petrophysical Studies of Matulla Formation.
 - **Grade:** Excellent
- 07-2019
09-2019  **College Surveying Project**
 - **Name:** A Survey of Suez University.
 - **Grade:** Excellent

Experience (Trainings)

- 06-2020
08-2020  **Arab Oil and Gas Academy, Online Internship**
Summer Intern
- 11-2019
11-2019  **El Sewedy Cement Company, Suez, Egypt**
Field Trip Visitor
- 09-2019
09-2019  **El Wastani Petroleum Company, Damietta, Egypt**
Summer Trainee
- 08-2019
08-2019  **General Petroleum Company, Red Sea, Egypt**
Summer Trainee
- 09-2018
09-2018  **Petro Services, Cairo, Egypt**
Yard Trip Visitor
- 07-2018
07-2018  **Mineral Resources Authority, Cairo, Egypt**
Summer Student Trainee
- 2009
2012  **Plumbing Works, Al Mansoura, Egypt**
Plumber's Assistant

 Photoshop

Courses

- **Introduction to Geographic Information System (GIS)**
- **Formation Evaluation**
- **Casing Design**
- **Enhanced Oil Recovery**
- **ICDL – Base**
- **Petroleum Software School**
- **Reservoir Characterization: Clastics and Carbonates**
- **Reservoir Simulation and Field Development**
- **Multistage Completions for Hydraulic Fracturing**
- **Virtual Mud School**
- **Introduction to Well Servicing**
- **Introduction to Well Drilling**
- **Basics of Enhanced Oil Recovery**
- **Introduction to Artificial Lift Technology**
- **Introduction to Drilling Rig and Drill String Components**
- **Basic Drilling Engineering**
- **Level 1 Programme of IWCF**
- **Introduction to Well Intervention**
- **Google IT Support Professional Certificate**
- **Oil & Gas Industry Operations and Markets**
